

PROGRAMME AT A GLANCE

Wednesday, 3 May 2023			
Time	Hall 1 (Gartensaal 1B+C)	Hall 2 (Gartensaal 1A)	Hall 3 (Seezimmer 1A+B)
	Pre-Congress Courses		
10:00-17:30	Module 1 Science, endoscopic and surgical techniques of Bariatric-Metabolic Surgery (BMS)	Module 2 Interdisciplinary management of patients with obesity / Multimodal treatment strategies	Module 3 Long-term results of Bariatric Metabolic Surgery (BMS) and new developments
10:00-12:00	Session 1 The science behind BMS	Session 1 Interdisciplinary and interprofessional management	Session 1 Management of weight regain and insufficient weight loss
12:00-13:00	Lunch break		
13:00-15:00	Session 2 Endoscopic procedures for weight loss (including practical exercises)	Session 2 Complication management of BMS	Session 2 Long-term results of BMS (>10y)
15:00-15:30	Coffee break		
15:30-17:30	Session 3 How I do it: technique, tips, tricks and pitfalls (including videos)	Session 3 Mechanisms involved in BMS	Session 3 Long-term side effects of BMS and new developments

Thursday, 4 May 2023			
Time	Hall 1 (Gartensaal 1B+C)	Hall 2 (Gartensaal 1A)	Hall 3 (Seezimmer 1A+B)
09:00-09:15	Welcome		
09:15-10:30	Plenary Session: Surgical outcome measurement		
10:30-11:00	Coffee Break / Commercial Exhibition / Poster Viewing		
11:00-12:30	Long-term results of BMS (>10y)	Free communications: Complication management / Prevention in BMS	Free communications: Sleeve gastrectomy & Miscellaneous
12:30-14:30	Lunch break / Commercial Exhibition / Poster Viewing		
14:30-16:00	The role of Bariatric Metabolic Surgery in extreme situations (IFSO session)	Endoscopic suturing procedures for weight loss	Video session: Primary interventions & Complications
16:00-16:30	Coffee Break / Commercial Exhibition / Poster Viewing		
16:30-18:00	Young IFSO	BMS & Endoscopic complication management (IFSO-EC webinar session)	Comparative trials in BMS
18:00-20:00	Welcome Reception		

Friday, 5 May 2023			
Time	Hall 1 (Gartensaal 1B+C)	Hall 2 (Gartensaal 1A)	Hall 3 (Seezimmer 1A+B)
09:00–10:30	The science of diets	BMS: Mechanisms of action	Free communications: Type 2 Diabetes & NASH
10:30–11:00	Coffee Break / Commercial Exhibition / Poster Viewing		
11:00–12:30	Latest developments of anti-obesity drugs	Allied Health: Increasing adherence in bariatric therapy: a multi-disciplinary approach	Free communications: Hypoabsorptive & Revisional procedures
12:30–14:30	Lunch Break / Commercial Exhibition / Poster Viewing		
12:45–13:30	Industry Symposium		
13:30–14:30	Guided Poster Session		
14:30–16:00	Joint EASO/IFSO-EC: Anti-obesity drugs and/or Bariatric Metabolic Surgery	Sleeve gastrectomy and GERD	Free communications: Basic & Pre-clinical research
16:00–16:30	Coffee Break / Commercial Exhibition / Poster Viewing		
16:30–18:00	European Championship	BMS and population based health benefits	Free communications: Interdisciplinary Management & Allied health
18:00–18:45	General Council Meeting		
19:30	Congress Dinner		

Saturday, 6 May 2023			
Time	Hall 1 (Gartensaal 1B+C)	Hall 2 (Gartensaal 1A)	Hall 3 (Seezimmer 1A+B)
09:00–10:30	Management of weight regain / insufficient weight loss	Free communications: Endoluminal interventions, Innovations & Robotics	Free communications: Long-term results of BMS
10:30–11:00	Coffee Break / Commercial Exhibition / Poster Viewing-Dismantling		
11:00–12:30	Best abstract session	Robotics and new developments	Video session: Revisions
12:30–13:00	Closing Ceremony
